Pet Preparedness Checklist

Review these questions below to ensure you and your pets are safe in case of disaster.

- Does your pet have a collar and ID tag?

- Is your pet micro-chipped?

- Do you have an evacuation plan and emergency kit for your pet?

- In the event that you cannot get to your pet in a disaster, is there a trusted neighbor, family member or friend who could retrieve your pet from your home?

- Do you have a plan on where you would go with your pet if you have to evacuate your home?

- Do you practice fire drills and emergency evacuations with your pet?

- If you only had two minutes, could you get yourself and your pets out of your house safely?
